Re: Council update meeting

---

With all the recent snow, I hope this finds you warm and safe, enjoying your Girl Scout cookies. As a County Constituency Representative, you are a very important link in the communication between the board of directors and the membership of the Girl Scouts of Central Indiana. Our bylaws provide that the Representatives from the County Constituency shall “give input and reaction to proposed plans and policy matters being considered by the Board of Directors.” As a County Constituency Representative you are invited to a special presentation on the future of program and property.

The board secured the services of Kaleidoscope, Inc., a program and property planning firm, to provide an objective review of the property owned by the council. Prior to any official action by the board, we would like to share the results with you.

A series of meetings will be held throughout the jurisdiction. You are welcome to attend the one that best meets your schedule. This meeting is for adult members only. Listed below are the dates and locations.

Please RSVP to Emma St.Dennis at [estdennis@girlscoutsindiana.org](mailto:estdennis@girlscoutsindiana.org) or 877-474-2248 x 6824 and indicate your choice of location. **All meetings are 6:00 to 7:30pm**
